Reimagining Student Mobility Webinar: **Practical Strategies to Understand & Address Chronic Absenteeism**

Learn how reliable, flexible transportation solutions serve as a powerful intervention strategy, potentially turning around attendance rates for our most vulnerable students.

In this fifth Reimagining Student Mobility webinar, Darryl Willie, Carl Allen, and Mary Dillman of 4MATIV, discuss how reimagining student transportation can directly combat chronic absenteeism in schools.

4MATIV is transforming student mobility. With our technology and performance management platform and multi-modal approach, we get students to school for less cost and with less hassle so they can access the learning opportunities that maximize their potential. For more information, visit 4mativ.org.
